Shorttitle

ESC Waiver of Competitive Selection Transfer

Change Description

The Ohio Department of Education respectfully requests a revision in the amount of the Cuyahoga County ESC and Hamilton County ESC waiver of competitive selection. Our work has increased at both of these ESCs. The Ohio Department of Education respectfully requests a transfer of \$90,000 in appropriation authority from FY 2017 to FY 2016 for Cuyahoga County ESC and a transfer of \$99,000 in appropriation authority from FY 2017 to FY2016 for Hamilton County ESC. This change would not exceed the total \$4.9M waiver of competitive selection previously approved by the controlling board. Allowing this transfer will allow the various programs that provide technical assistance, training, professional development, and support to local school districts on behalf of the Ohio Department of Education.
