Shorttitle

Transfer of Waiver Authority Between Fiscal Years

Change Description

The Ohio Department of Education respectfully requests a revision in the amount of the waiver of competitive selection for Randy Fisher. Mr. Fisher's work in our Office of Exceptional Children, serving as a mediator for families and school districts across the state, has continued into FY17. With that, ODE requests a transfer of \$35,000 in the Department's waiver of competitive selection for Mr. Fisher's services from FY16 to FY17. This transfer will not cause ODE to exceed the total waiver of \$88,500. It will simply make the waiver \$53,500 for FY16 and \$35,000 for FY17. Allowing this transfer will allow ODE to continue this important facilitation in accordance with the Individuals with Disabilities Education Act (IDEA) and the Operating Standards for Ohio Educational Agencies Serving Children with Disabilities (Administrative Code 3301-51-05 (K) (3)).
