JFS0100156 Outlier Technologies transfer from SFY13 to SFY12

Change Description

This is a request for approval of a non-substantive change to Controlling Board Request No. JFS0100156, approved on June 13, 2011. The request was for approval of a contract with Outlier Technologies Inc. Under the terms of this contract, Outlier Technologies will provide upgrades and maintenance for the department's automated Child Care Licensing Inspection System. ODJFS is requesting your approval to transfer a portion of the amount approved for SFY 2013 to SFY 2012. The amount of the proposed transfer is \$12,000.00. If this transfer is approved, the revised amounts per state fiscal year would be as follows: \$121,950.00 for SFY 2012 and \$97,950.00 for SFY 2013. This transfer is needed to allow for the hours assigned to rule revisions within the original contract to be amended to account for the department's need for changes to the system in SFY 2012. Under the original contract, the hours assigned to each state fiscal year for rule revisions was divided equally. Now that a rule revision is needed, the number of hours must be adjusted to allow sufficient hours in SFY 2012 to complete the change. If you have any questions or need additional information, please contact Christine Resch or Brenda Myers at 728-5693 in the ODJFS Office of Contracts and Acquisitions, 30 E. Broad Street, 31st Floor, Columbus, Ohio, fax number 995-4876.
