JFS0100168 - HSAG decrease in funds

Change Description

This is a request for approval of a non-substantive change to Controlling Board Request No. JFS0100168, approved on June 13, 2011. The request was for approval of a contract with Health Services Advisory Group, to provide federally mandated external quality review services for the Medicaid managed care program. ODJFS is requesting approval to be decrease the amount in State Fiscal Year (SFY) 2012 by \$83,085.00 making the new total for SFY 2012 \$2,782,923.00. ODJFS is also requesting a decrease of the amount of SFY 2013 by \$1,160,801.00 making the new total for State Fiscal Year 2013 \$2,429,701.00. This decrease in funding is due to a change in the implementation timeline for the Managed Care Program to July 1, 2013. This decrease is also due to work that could not be performed by the end of the contract period due to delays in the availability of data, in a readable format necessary for the contractor to complete the deliverables to the extent originally budgeted for. If you have any questions or need additional information, please contact Heather Sullivan in the ODJFS Office of Legal and Acquisition Services at 728-5693.
