Shorttitle

JFS0100207 Mercer Fin Modeling Coding Correction REVISED

Change Description

This is a request for approval of a non-substantive amendment for Controlling Board number JFS0100207 approved on January 9, 2012. The request was for approval of a contract with Mercer Health and Benefits LLC for multiple Medicaid healthcare business initiatives and federal program mandates. The total approved budget and scope of services will not change. ODJFS is requesting approval to adjust the fiscal coding information. The original fiscal coding was determined using estimates of federal financial participation available for proposed projects to be completed by the contractor. At this time the Office of Medical Assistance, with guidance from the Governor's Office of Healthcare Transformation, has determined there is a need for a project that is not eligible for the federal financial participation originally contemplated. Therefore, ODJFS is requesting approval of the following fiscal coding for SFY 2013:

Fund Code	ALI	ALI Name	Amount	SFY	F00	600623	Health Care Federal	\$3,788,194.00	134Z10	600625	Healthcare
		Compliance	\$1,287,356.00	133FA0	600680	OHP Health Care Grants	\$99,450.00	13
