Mercer Health -Actuarial- transfer of funds between deliverables

Change Description

This is a request for approval of a non-substantive change to Controlling Board Request No. JFS0100221, approved on June 13, 2011. The request was for approval of a contract with Mercer Health and Benefits, LLC, for actuarial services relative to the Medicaid Program. ODJFS is requesting approval to move funds previously assigned to specific deliverables to deliverable C.1 – Assist with Budget Development and Modeling. ODJFS is requesting your approval to move funds already budgeted in the current Mercer contract from the following items that will not be needed in SFY 2013: (i) E.3. Establish and utilize a secure FTP site (ii) F.1.ii. Analyze LTC and nursing facility/waiver issues and (iii) F.1.iv. Analyze hospital services issues, including reimbursement methodologies. This requested movement of funds will result in the transfer of \$30,834 to Deliverable C.1. This transfer of funds among the current contract deliverables will not result in any changes to the total amount of the contract. If you have any questions or need additional information, please contact Heather Sullivan in the ODJFS Office of Legal and Acquisition Services at 728-5693.
