Change Description

This is a request for approval of a non-substantive change to Controlling Board number JFS0100287 (JFS010287A in OAKS) approved on June 10, 2013. The request was for approval of a contract with Truven Health Analytics for upgrades and migration of the Medicaid Decision Support System and the HEDIS reporting system. The total approved budget and scope of services will not change as a result of this non-substantive request. This request is to modify the dollar amount assigned to appropriation line item 651624 for SFY 2014 on the CB request. The agency has discovered a mathematical error resulting in less funding assigned to 651624 than necessary. The dollar amount which should be assigned to line item 651624 for SFY 2014 is \$10,383,131.54. If you have any questions or need additional information, please contact Brenda Myers in the Ohio Department of Medicaid at 752-3305.
