MCD0100048 Mid America Cons Clarifications

Change Description

The Ohio Department of Medicaid is requesting approval of a non-substantive amendment to the agency's contract with Mid America Consulting Group. The vendor is developing a website to support the Balancing Incentive Program (BIP). The total approved budget and scope of work will not be changed as a result of this amendment. Minor adjustments are needed in some of the deliverables to provide more detail and clarity throughout the remaining BIP website implementation process. For example, some details were added to the information which should be included in the vendor's monthly reports to the agency and submission deadlines for those reports have now been included in the deliverable. Also, language was added to the data validation deliverable to more clearly explain how often and in what manner the data will be verified. If you have any questions or need additional information, please contact Brenda Myers at 614-752-3305 or via email at brenda.myers@medicaid.ohio.gov. Thank you!
