Shorttitle

Change or Vendor for Software Purchase approved in OHU0100215

Change Description

After this controlling board request was approved, it was revealed to Ohio University by Schneider ELelectric that we could not issue the purchase order for the software directly to their company, but had to work through the local distributor for Schneider Electric products and services, which is Crescent and Sprague, PO Box 690, Athens, Ohio, Athens County. Ohio University contacted Crescent and Sprague, and they confirmed their ability to fulfill the software contract originally quoted directly from the manufacturer. Crescent and Sprague has provided the University with a quote identical to the quotation originally submitted with the controlling board request. The Vendor ID number for Crescent & Sprague in the OAKS system is:0000076276 The University would appreciate approval of this change of vendor so that we may move forward with the purchase of this software and the upgrades to our metering controls systems.
