Non-Substantive change request: PUC0100047

Change Description

On June 8, 2015 the Public Utilities Commission of Ohio received Controlling Board approval for PUC0100047 for \$5,000,000.00 for fiscal years 2016 and 2017 to contract with Sprint Communications Company LP to provide telecommunication relay services. A Senator asked that the PUCO remove the following line from the request that pertains to a renewal option at the end of fiscal year 2017. The line is from the fourth paragraph of the 'required explanation of the request' and states the following: "The PUCO also reserved the right to retain Sprint as the TRS vendor beyond June 30, 2017." Since the Controlling Board approval of PUC0100047 was only for fiscal years 2016 and 2017, removing this line would not be a substantive change to the request and we ask it be removed per the Senator's request. Your assistance in processing this request is appreciated. Please contact me at (614) 387-1008 if any additional information is needed. Maria Lynch PUCO Controlling Board Administrator
