**Change Description**

On September 12, 2011, the Rehabilitation Services Commission received Controlling Board approval for \$391,000 respectively for FY 2012 to contract with Alliance Enterprises through September 30, 2011 to complete implementation of a new case management system. Due to some additional work needed to fully complete implementation of the new system, the term of the contract with Alliance was amended to run through January 30, 2012. The total amount of the contract is unchanged. We respectfully request the President's approval on the extended term of the contract. Please contact me at 438-1763 if any additional information is needed. Marc Protsman RSC Chief Financial Officer
