Non-Substantive change letter for SFC0100346

**Change Description**

The Ohio School Facilities Commission (OSFC) respectfully submits this letter for a non-substantive change regarding the original Controlling Board Request, SFC0100346, which was approved on November 14, 2011. In this request, the Controlling Board approved a release of capital funds for nine specialty contractors to receive funding. The request failed to supply the vendor identification numbers for three of the nine vendors. Therefore, this Non-Substantive change request is to provide the three vendor identification numbers that were erroneously omitted in the original request. They are as follows: Hardlines Design Company = 0000069585 Architectural Vision Group, Ltd = 0000062339 Legat & Kingscott, LLC = 0000197136
