Non- Substantive change letter for SFC0100363

**Change Description**

The Ohio School Facilities Commission (OSFC) respectfully submits this letter for a non-substantive change regarding the original Controlling Board Request, SFC0100363, which was approved on February 13, 2012. In this request, the Controlling Board approved a specialty contract for Feinknopf Macioce Schappa Architects, Inc. The request failed to supply the correct vendor identification number for the vendor. Therefore, this Non-Substantive change request is to provide the correct identification number. The original request showed Feinknopf Macioce Schappa Architects, Inc. as 0000004941 and the correct number is 0000049417.
