**Change Description**

The Ohio School Facilities Commission (OSFC) respectfully submits this letter for a non-substantive change regarding the original Controlling Board Request, SFC0100410, which was approved on February 11, 2013. In this request, the Controlling Board approved a specialty contract for Construction Process Solutions, LLC. The request released competitive opportunity (R.C. Sec. 127.162) but failed to request a waiver of competitive selection for the vendor. Therefore, this change request is to provide the correct information to the controlling board and request a waiver of competitive selection for the vendor, Construction Process Solutions, LLC (vendor id: 0000059227).
