**Change Description**

The Ohio Facilities Construction Commission (OFCC) respectfully submits this letter for a non-substantive change regarding the original Controlling Board Request, SFC0100428, which was approved on June 10, 2013. In this request, the Controlling Board approved a specialty contract for Consultants. The request failed to supply the correct Appropriation Line Item number. Therefore, this Non-Substantive change request is to provide the correct ALI number. The original request showed 100639 as the ALI and the correct number for this request should read 230639
