Shorttitle

Typing error on Appropriation line item

Change Description

The Ohio Facilities Construction Commission (OFCC) respectfully submits this letter for a non-substantive change regarding the original Controlling Board Request, SFC0100431, which was approved on July 8, 2013. In this request, the Controlling Board approved a specialty contract for Resource International, Inc. The request failed to supply the correct Appropriation Line Item number. Therefore, this Non-Substantive change request is to provide the correct ALI number. The original request showed C23001 as the ALI and the correct number for this request should read C23002. The first paragraph of the request should have read as follows: The Facilities Construction Commission respectfully requests Controlling Board approval to release capital funds in the amount of \$28,634.00 from fund 7032, ALI C23002 (Public School Buildings) and to waive competitive selection, in FY14, to amend the contract with Resource International Inc., Columbus, Franklin County, for the Newark City School District, Licking County, for construction management services.
