SFC0100441 Non-Substantive change request

Change Description

The Facilities Construction Commission requests the following non-substantive changes to SFC0100441 approved on September 9, 2013. On CB SFC0100441, which transferred Cultural Facilities' capital projects and funds to SFC there was an error. The error pertains to the Ohio Theatre Toledo project. The SFC01 ALI was listed as C23075, but it should have been C23091. State Accounting has set up the ALI, however, they cannot appropriate or allot the previously released amount of \$100,000 without a non-sub change.
