SFC0100638 Nonsub Change-Vendor ID

**Change Description**

The Ohio Facilities Construction Commission (OFCC) respectfully submits this letter to request a non-substantive change to the original Controlling Board Request SFC0100638 which was approved on December 14, 2015 in this request, the Controlling Board approved Consolidated Electrical Distributors, Inc. The vendor on that request contained the incorrect vendor information. Consolidated Electrical Distributors, Inc. has an incorrect OAKS Vendor ID Number listed on the CB request that is now Obsolete. This non-substantive change is to request Consolidated Electrical Distributors, Inc. Vendor ID number be corrected to read 000084776. Thank you.
