Change fiscal year distribution

Change Description

The contract amount remains unchanged at \$343,000.00 for the biennium. However the fiscal year distribution is not split as originally requested due to the timing of invoices. The new amounts which should be reflected in OAKS for document processing are as follows: FY2016 should be \$128,625.00 and FY2017 should be \$214,375.00.
