Shorttitle

Funding Information Error

Change Description

CBR YSU0100106 was approved 5/18/15. There was a typographical error in the "Funding Information" total amount of the request. YSU respectfully requests Controlling Board approval for this release of capital funds to be changed from \$603,328.00 to \$608,328.00. The project budget page and narrative both currently list the correct release amount \$608,328.00 so everything else will stay the same on the request. YSU respectfully requests Controlling Board approval for the amount to be changed to what was stated above.
